

Professional Portfolio

Eleni Mekuria

Dietitian/Nutritionist

Introduction

Welcome to my portfolio!

A highly accomplished and dynamic dietitian with a proven track record of success in diverse nutritional settings.

My expertise spans weight management, disease management, sports nutrition, public health, and media engagement. I am passionate about empowering individuals to achieve their health and performance goals through evidence-based nutritional strategies.

About Me

My Name is Eleni I am a Dietitian/Nutritionist With a solid academic foundation and a diverse portfolio of professional experiences, my work is rooted in both science and empathy. My clinical journey has been shaped through valuable internships at esteemed institutions like St. Paul's Millennium Medical College, Zewditu Memorial Hospital, and the Diabetes Clinic at Black Lion Hospital. In parallel with my clinical work, I have made significant contributions to public wellness education. I was the host and producer of “ኑሮ በዘዴ” a health and wellness show aired on Afrihealth TV, where I shared expert insights on nutrition, exercise, and healthy living. I am also Alison certified on the fitness field too.(Fitness coaching and body building). I am also proud to be a founding member and Public Relations Officer of the Ethiopian Dietetic Professionals Association (EDPA)—a platform for collaboration, education and advocacy among dietitians in Ethiopia. currently am working as a dietitian & a fitness & nutrition department manager at ethio dance fitness gym and spa .
